Kärcher's BR 40/10 C scrubber drier makes cleaning small to medium hard floors easy, delivering outstanding results and helping to keep your workshop safe and compliant with VOSA regulations. Featuring twin counter-rotating brushes and twin rubber squeegees, the BR 40/10 cleans and dries hard floors in a single pass. By turning the vacuum system off, the machine can be used for deep cleaning of heavily soiled areas.

Powerful and fast

- Two high-speed roller brushes with high contact pressure
- Two squeegees remove water forwards and backwards
- Floors dry very quickly

Low reach

- Easily reaches under furniture
- The push handle can be folded in both directions
- Removable tank - suitable for low lying objects

Service-friendly

- Squeegee and brush are easy to replace without tools
- Water distributor strip is easy to remove and clean
- All electrical components are quickly and easily accessible

Ergonomic handle

- For easier use
- With integrated water flow and brush control
- Ideal for transporting and storage
