INNER RIM CLEANER

75MM

SP 66195500

£49.95

IDEAL FOR ALLOY WHEELS

For the optimal cleaning of the inner wheel contact surface

- 160mm diameter
- Prevents corrosion related distortion of wheel bolt tightening torque
- Completely removes burnt in corrosion
- To be used only on the inside of an aluminium rim, particularly the inner area prior to wheel balancing
- The porous abrasives and cup shaped grinding plate ensures minimal dust
- Discs are attached with velcro, making them easy to replace
- Optimized for the latest wheel rims with an internal diameter of 75mm
